EDUCATION

The University of Hong Kong MSc in Sustainable Environmental Design Sept 2025 - Nov 2026
Major courses: Green Building Assessment and Climate Responsive Design, Environmental Policy and Management of Megacities, Bioclimatic Architectural Design

Southwest University B.Eng. in Landscape Architecture Sept 2021 - June 2025

INTERNSHIP EXPERIENCE

Crossroads Foundation, Hong Kong Dec 2025 - Now

Engagement Department Intern

- Conducted market research and data collection on ESG-focused companies in Mainland China, identifying potential partners, contact channels, and collaboration models to support targeted outreach and engagement strategies
- Worked proactively in an international NGO environment, enhancing learning agility, initiative, cultural sensitivity, and cross-cultural collaboration skills

Chongqing Urban Greening Management Center, ChongQing Jan - April 2025

Landscape Architect Intern

- Conducted baseline site assessments and supported landscape planning for urban greening projects, integrating public consultation insights to identify environmental constraints and opportunities in line with sustainability and ESG principles
 - Assisted in preparation of project cost estimates and financial analyses, supporting resource allocation decisions with consideration of economic sustainability and lifecycle thinking
 - Researched local policies and regulatory frameworks related to urban greening and sustainable development, contributing to discussions on green infrastructure strategies, climate resilience, and low-impact development (LID) approaches
-

SCHOOL PROJECT&LEADERSHIP

Sustainable Architectural Design in Hong Kong

- Developed a climate-responsive building design and conducted a preliminary BEAM Plus NB v2.0 assessment, achieving a Gold rating outcome.

SWU Science Fiction Society

President ChongQing Sept 2022 - Jun 2023

- Oversaw overall operations, coordinated work across departments (planning, publicity, finance).
 - Managed content planning, designing, and publishing on social media like xiaohongshu.
-
